

Student Placement Communication Flow Chart: Semester 2, 2019

Pre-placement requirements

Student enrolment into course
Student to complete request to source placement details and ensure they are up to date:
Please note: if a placement is sourced with incorrect placement information it may result in a delayed placement.
Student confirms they have a current WWC (Blue Card) and it is linked to USQ.
Please note: The card must be current up until and including the week following the end of the placement.
