

Enrolment Plan Template

How to use:

1. Access the recommended enrolment pattern of your program from the [USQ handbook](#)
2. Read through the information about your program and ensure you are following the right enrolment pattern*. You need to follow the recommended enrolment patterns so you are progressing correctly through the program and meeting pre-requisite requirements.
3. Add the subjects you'll be enrolling in each semester.

**It is your responsibility to ensure you are correctly enrolled in your program*
