

Deposit your ePrint – details required for a journal article

Fields marked with an asterisk (*) are compulsory

Field	Notes
Title *	The full title of the paper.
Authors(s) *	Full names of all the authors in the form: family name, first name. e.g. Smith, Mary Jane
No. of authors; No. of USQ authors	Total numbers of authors of the work; number of authors who were affiliated with USQ at the time of publication of the work.
Publication	The full title of the publication (e.g. Journal name). In the following fields, the volume, issue number and page numbers (where applicable).
Year and month	Publication year (4 digits, mandatory, e.g. 2016) and month (optional). Use the publication date when first released to the public, if this is known to you.
Editor(s)	The name of the editors(s) if applicable (e.g. edited books and conference proceedings).
Publisher	For books and book chapters, the name of the publisher and place of publication (e.g. University of Queensland Press, Brisbane).
Status	The status of the document (published, in press etc.).
Refereed	Whether or not this particular version of the document has passed a formal peer review process.

Deposit your ePrint – details required for a journal article

Publisher permission grant date	Year/month/day information that permission has been obtained. If you need the Library to obtain permission on your behalf, then leave this field blank.
Abstract *	Abstract for each ePrint. You can cut and paste the abstract from the manuscript.
Keywords	Any keywords that people will use to search for papers on this topic. Separate keywords or phrases with a semicolon.
Field(s) of search *	At least one subject category to describe your paper. The subjects are those used in the Australian and New Zealand Standard Research Classification (ANZSRC) of the Australian Bureau of Statistics. The list will be provided as part of the submission process.
Additional information	This field should be used for any additional information that is relevant or may be useful; it will be publicly displayed.
Comments and suggestions	Any comments to the USQ ePrints Editor information will not be displayed to the public.
Submission date	If required, the date that the item was first submitted for publication.
Alternative location(s)	If your paper can already be accessed via a webpage, the Official URL field will contain the full URL (e.g. a conference webpage, or personal webpage). If the publisher requires that you provide a link to the journal's webpage from the USQ ePrints record as a condition of self-archiving the post-print version, this area will contain the URL for the publisher's webpage.
